Dear Sir,

The idea and strong commence to unified most of the martial arts styles in one place and time is really remarkable. The national sports council of Nepal takes this a great opportunity to make participation of Nepal through Nepal International Taekwon-Do Federation.

I feel very proud to notify you that National Sports Council of Nepal has given all the responsibilities to Nepal International Taekwon-Do Federation to represent Nepal in this great event. I like to express my wishes on behalf of National Sports Council for the succession of the event. I am eagerly waiting to see the performance of Nepalese Team through Nepal ITF to win the medals.

One behalf of National Sports Council, I thanks all the participants from different countries and congratulating them for being the part of this mega event. We always appreciate the response of WAMMCO for being providing the opportunity to the Nepalese Players for being the part of the mega event.
