

To world wide all styles Martial arts & Martial sports  
Confederation  
Ate: Mr. F. Dariagard  
President of WAMMCO

Knowing the WAMMCO president for 10 years, my conclusion is that what he planes is  
what all martial artist should full attention and agree do it,

I believe that this 2007 Sheffield competition is that key to the successful consolidation  
of all budoka to one Porpose "be in London Olympic Games.

As the or genitor of GENUSS WORLD record item of "the most appeals cut in the air by  
sword "sense 2003

I recommend strongly Mr. F. Dariagards constitution and many budoka to join him as  
first ones, not the latest

Mr. Okada
