Ate: Mr. F. Dariagard
President of WAMMCO

Knowing the WAMMCO president for 10 years, my conclusion is that what he plans is what all martial artist should full attention and agree do it,

I believe that this 2007 Sheffield competition is that key to the successful consolidation of all budoka to one Porpose "be in London Olympic Games.

As the or genitor of GENUSS WORLD record item of "the most appeals cut in the air by sword "sense 2003

I recommend strongly Mr. F. Dariagards constitution and many budoka to join him as first ones, not the latest

Mr. Okada
